

# Yellowstone's hot secret

1. Oglej si videa:

- [https://www.youtube.com/watch?v=AKoFN9brF\\_Y](https://www.youtube.com/watch?v=AKoFN9brF_Y)
- <https://www.youtube.com/watch?v=OqP50563IDM>

2. Preberi besedilo v U 54 (na iRokus-u ga lahko tudi poslušaj).

3. V zvezek napiši naslov in odgovori na vprašanja v nalogi 2b.

4. Prepiši definicije besed (drsnica 2) in jih poveži z besedami iz učbenika, ki so v okvirčku.

5. V DZ reši 46/1.,2.,3.

a hot spring

ash

immediate

an eruption

to increase

sensitive

a hot spring

- a spring of naturally hot water, heated by volcanic activity
- a hot spring of water that sends up jets of water and steam into the air
- a sudden outbreak of something
- what is left after the burning of something
- to become greater in size or number
- quick to detect slight changes
- happening at once, in a moment
