U: str. 60, 61

V zvezek napiši naslov: **AT THE TOWER**

1. Preberi besedilo o kralju Henriku VIII in njegovi ženi Anne Boleyn.

Tourists visit the Tower of London every year. It is on the River Thames.

*Many years ago, the Tower of London was a **prison**. King Henry VIII sent two of his six wives to prison there. Anne Boleyn, Henry's second wife, was **executed** on Tower Green in 1536 – only three years after their wedding. The king was angry because he wanted a son to become king after him – Anne and Henry had a daughter, Elizabeth. Eleven days after Anne's death, Henry married his third wife, Jane Seymour. People say that Anne Boleyn's **ghost** still haunts the Tower of London.*

Preveri označene besede v spletnem slovarčku: <https://sl.pons.com/prevod> in odgovori na vprašanja: **TEDENSKA NALOGA 1**

- How many wives did Henry VIII have?
- Who was Anne Boleyn?
- Why did she go to prison?
- Where did she die?
- Does Anne visits the Tower today?

U: 60/ 1b – Oglej si slike (1, 2, 3) in jih poveži s povedmi (a, b, c).

2. **U/ 2a** – Poslušaj/ preberi besedilo *Was he dreaming?*

- Preveri povedi v U: 61/ 2b in označi, ali so pravilne ali napačne.
- V pogovoru spremljaj glagolske čase (poznaš *present simple, present continuous, past simple*), ali se pojavi kakšen nov čas: npr. *It was getting dark* ?

Da, nov čas se imenuje: **PAST CONTINUOUS**

- to je **opisni preteklik**
- z njim **opisujemo dejanja, ki so potekala dalj časa oziroma se dogajala v določenem trenutku v preteklosti.**
- tvorimo ga: **was/ were + glagol+ing**
