

## 7.r

S pomočjo spletne strani ustvari svojo skladbo.

Povezavo na spletno stran najdeš tukaj <http://sampler.com/>

The screenshot shows the Sampler.com website interface. At the top, there are several rows of colored buttons representing different instruments: purple (RIM, SNARE, SNARE 2, KICK, KICK 2, BOB 1, BOB 2, BOB 3, BOB 4, BOB 5), teal (CLAVES, TRIANGLE, SHAKER, CRASH, GUN, CONGA, CONGA 2, STICK, TOM, TOM 2), green (KEYS 1, KEYS 2, KEYS 3, KEYS 4, KEYS 5, KEYS 6, GUITAR 1, GUITAR 2, GUITAR 3, GUITAR 4, GUITAR 5), and orange (JYEA, UGH, HEY, YEAUH, UGH, AWEYEAH, HA, HOLDUP, HUH, KHALED). Below the buttons is a playback control bar with a play button, a progress indicator showing 00:00 / 27:43, and a BPM/BARS indicator showing 70 BPM / 8 BARS. A blue arrow points from the first text box to the buttons, and another blue arrow points from the second text box to the buttons.

Tukaj začneš s snemanjem, ga ustaviš. Ko posnameš prvo vrstico in ustaviš snemanje gre avtomatično v drugo vrstico.

Tu zgoraj pa najdeš različne zvoke, ki jih lahko uporabiš za svojo skladbo.

Stran zglada tako.

Veliko zabave vam želim.
